Radical Love: A Marriage Vocation Retreat

For married, engaged, and dating couples, and those who minister to couples.

The vocation of marriage is, at its core, the fulfilling of the mission of Christ in the lives of our spouses – helping them grow closer to Christ and to reach heaven – and being examples of love that witness to others (first our children but also everyone around us) about the love and faithfulness of God.

The Purpose-Driven Catholic

The key to successful Christian living is knowing:

- How important am I and why?
- What's my purpose?
- You have been chosen by Christ to be empowered by the Spirit!
For what?

Becoming an Easter Parish

With the Eucharist as the source and summit of our faith, a parish can identify and draw upon its strengths and vision to build parish unity, excellence in mission, and increased volunteerism.

Each session is built on the theology of the Holy Week Triduum:

1. Holy Thursday

The call to be united to Jesus in the Eucharist and how that affects us when we consciously participate in the Mass.

2. Good Friday

The mystical experience of connecting our sufferings to the passion of Christ, which heals us and assists Christ in his redemption plan for others.

3. Easter

Meant to be experienced every Sunday, we are empowered by the Father to have a resurrected life full of new joys and victories.

4. Pentecost

The mission and power we all have to continue the ministry of Christ by discovering and utilizing our particular gifts and talents and our unique calling.

Mystical Union with Christ in Daily Life

Our lives are patterned after the Mysteries of the Rosary:

- **The Joyful Mysteries**
How to experience the Joy of Christ even during times of stress.
- **The Luminous Mysteries**
How to grow in the mission of Christ.
- **The Sorrowful Mysteries:**
Communion with Jesus means becoming Eucharist.
- **The Glorious Mysteries**
Coming alive in the empowered, purposeful life.
